

# BE SAFE THIS SUMMER!

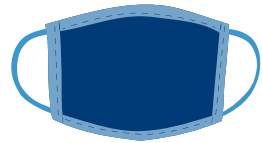

## Rules to follow during Covid-19

**Avoid group meetings**

**Maintain a distance of at least 1 metre between you and other persons not in your immediate household, both on the beach and in the sea**

**Wear a face mask if an interpersonal distance of at least 1 metre cannot be maintained**

**Wash your hands frequently, using products provided by the beach club**

**Do not use the beach equipment of others (e.g. sunbeds) if it has not been sanitized**

**Persons with a temperature measuring above 37.5°C are not allowed in the beach club, nor those showing flu symptoms**

**Sports and games are not allowed if they cause group assemblies**

**Parents and persons with children are advised to supervise children to maintain safe interpersonal distances and observe hygienic standards, paying particular attention to their age and individual behaviour**

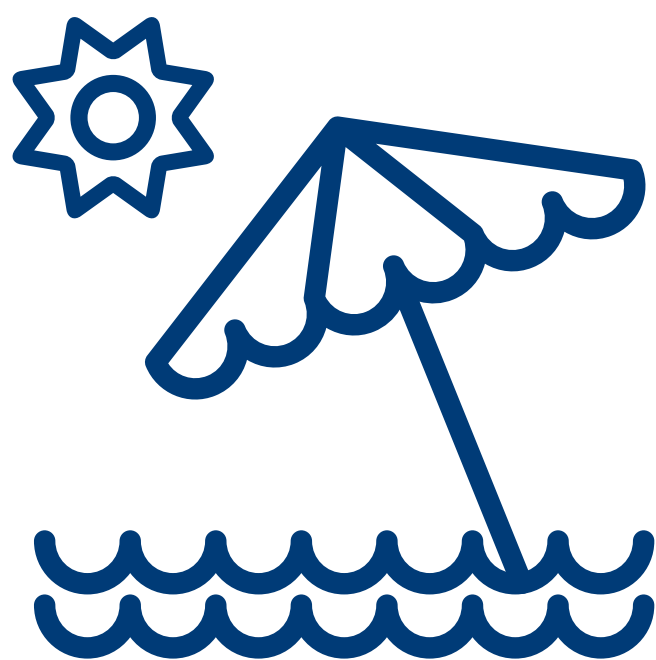

**Beach sports (e.g. Badminton, beach tennis) and watersports (e.g. Swimming, surfing, windsurfing, kitesurfing) can be practised normally, respecting always safe interpersonal distances**

**For team sports (e.g. Beach volley, beach soccer) it is necessary to follow the guidelines of each individual establishment**

**It is each person's responsibility to observe the above indicated rules**

**This beach club follows the rules implemented by the Ordinanza Regione Toscana, n. 60, 27 May 2020.**
